**A Quetzalcoatl Tale of the Ball Game (Legends from Mexico & Central America)** Marilyn Parke, Sharon Panik

Quetzalcóatl tales are ancient legends from Mexico and Central America that have been passed down through the ages, primarily by oral tradition. The Quetzalcóatl Tales Series, aimed at K-5 students, particularly in first and fifth grade, introduces young children to these wonderful stories with their sensitive portrayal of this rich and significant culture. These vividly illustrated texts are available in English and Spanish and are accompanied by teacher's guides that provide the archaeological and historical background of each story, as well as a wide range of engaging and educational activities for students.

*A Quetzalcóatl Tale of Corn* tells how Quetzalcóatl followed a trail of ants to the Mountain of Sustenance and stole maize from the gods to feed his people, while *A Quetzalcóatl Tale of Chocolate* tells the story of Two Wind Deer, the boy who brought chocolate to the people of the earth. In *A Quetzalcóatl Tale of the Ball Game*, Quetzalcóatl saves his people from war by playing a game with a rubber ball against the Rain God and is rewarded for winning with jade and quetzal feathers.
