Anita Rimmer

Caged and Collared (Slut, Hardcore, Puppy play Erotica, BDSM) (The Filthy Diaries Of A Truck Stop Tramp Book 4) Anita Rimmer

Author's Note: This is book 4 of the Filthy Diaries collection. Although it can be read as a stand alone story, I recommend reading all 6 volumes of the completed series in order as the story is more enjoyable as a whole.

A new owner takes over the truck stop and remodels the little shower room where Anna use to suck and fuck the burly truckers that stopped for a rest. To her surprise, though, the remodel adds a new addition that she wasn't expecting. Locked in a cage, choked, treated like a dog and using peanut butter for lube, Anna is no longer simply servicing just the normal sexual needs of the truckers, but also must now fulfill some of their more extreme fantasies.

WARNING:

This 11500 word story contains hardcore scenes of sexuality and depravity between a young woman and a variety of truckers. It is only intended for horny, open minded adults.

Excerpt:

Charles walked around the corner of the closet and I followed him. That's when my jaw dropped.

"What the fuck is that?" I asked. The entire side of what had been the closet before was now opened up, and it looked like the walls had been hardened with some sort of concrete. The floor was covered by the same thin grey carpet. But what had shocked me was that this entire side was closed over by thick iron bars. The closet had been converted into a cage. There was a hinged door at the bottom that had a lock on it and looked like it was big enough for a large dog to move in and out through.

"A cage," Charles responded simply.

"I can see that," I said. "Do you have a dog or something?"

"No, it's not for a dog. It's for you."

"What. The. Fuck." I turned to look at him, my eyes straining against their sockets, barely contained from popping right out. I could feel my heart pounding in my chest.

"Right. Well, as we discussed, there is a market for the more extreme stuff that people will pay top dollar for. In fact, limiting things to just truckers is a pretty poor business model on its own. I'm part of a... group... that are into more extreme sexual... kinks..."
