Iron Maiden

No photographer in the world took more – or better – shots of Iron Maiden than Ross Halfin. Having worked with the group since their emergence in the late Seventies, he became a part of the roller coaster ride that saw Maiden conquer the world as the leading lights of the New Wave of British Heavy Metal. This new, deluxe photo documentary features Halfin's photographs from throughout their career. The book features a foreword by founding member Steve Harris, and Ross's own recollections of his life and times with Iron Maiden.
