National Geographic Traveler: Berlin, 2nd Edition Damien Simonis

Germany's premier city, Berlin, is one of the fastest growing and intriguing in Europe. This guidebook, written by experienced travel writer Damien Simonis, expertly guides you through the varied land- and cityscapes that are today's Berlin. Illustrated with more than 120 vivid, up-to-date photographs and nearly 20 detailed, full-color maps, this second edition gives you every tool you need to plan a trip to the center of the new Europe, from the historic and massive Reichstag building in the town center to the complex of museums and gardens at the former royal palace in the west at Charlottenburg.

Starting with a detailed introduction to Berlin's unique history, food, land, and culture--factors that have clearly shaped the distinctive *volksgeist* of the German people--the book then explores each of the neighborhoods that make up the city. Among the sights: the city's grand pastoral thoroughfare in the center of town, Unter Den Linden; the Forum of Culture, home of Berlin's concert hall and several excellent museums; the Tiergarten, the large central park that constitutes some of metropolis's extensive green space; the quiet woods, rivers, and lakelands of Berlin's far west; and the many world-class museums clustered on Museum Island in the east. In addition, an "Excursions" chapter steers you to the best day trips out of the city.

Special features give comprehensive information on many diverse topics such as the story of the Berlin Wall; the city's Jewish community; and a look at Berlin's famous Christmas markets. The book also presents mapped, guided walks and tours through some of the city's most fascinating areas, including a walk through Red Berlin and a drive through the Mecklenburg lake district. Experiential sidebars--such as reliving the feel of pre-war Berlin at a silent-movie theater or visiting the city's famed museums when they're open all night--show you details on how to immerse yourself in Berlin's culture. In addition, a thorough Travelwise section provides recommendations for hotels and restaurants in all price ranges and in all areas.

Whether you're visiting Kurfürstendamm, Berlin's main shopping street, revisiting history in front of the Brandenburg Gate, or strolling Frederick the Great's sumptuous palaces and gardens at Potsdam, *National Geographic Traveler: Berlin* has everything you need to make your trip a memorable one.

The National Geographic Traveler series is aimed at active travelers who want authentic, enriching, cultural experiences and look to a guidebook for expert advice and insider tips from a trustworthy source. We offer ways for people to experience a place rather than just visit, and give the feel of each destination not easily found online.

Janice Arias:

The reason why? Because this National Geographic Traveler: Berlin, 2nd Edition is an unordinary book that the inside of the book waiting for you to snap this but latter it will distress you with the secret that inside. Reading this book next to it was fantastic author who all write the book in such remarkable way makes the content inside easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of positive aspects than the other book include such as help improving your talent and your critical thinking method. So , still want to hesitate having that book? If I have been you I will go to the book store hurriedly.

Kevin Masterson:

Playing with family in the park, coming to see the water world or hanging out with friends is thing that usually you could have done when you have spare time, subsequently why you don't try issue that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love National Geographic Traveler: Berlin, 2nd Edition, you may enjoy both. It is excellent combination right, you still need to miss it? What kind of hang-out type is it? Oh can occur its mind hangout folks. What? Still don't understand it, oh come on its known as reading friends.
