“You are mine now.”

The daughter of a powerful clansman, Skye of Beveridge is to be wed to William the Black. Skye has heard tales of the highland laird’s cruelty, of what horrors lie beyond the walls of Castle Loch, but she has no choice in the matter. Her voice isn’t heard in a world ruled and governed by brutes.

When their party is ambushed by a group of Redcoats, Skye is saved by the very man she is to wed, learning her fears were unfounded. But wed to ensure lasting peace between the rival clans, Skye is about to learn of William’s true desires, those which can be found in a secret dungeon below the castle walls. There, she will discover his fearsome sexual appetite. She will learn her place—spanked, restrained and made to **submit completely**.

FSOG meets Outlander, Taken By The Highlander is an erotic romance containing strong sexual themes and acts, including bondage, spanking, anal play and more. It is strictly for adults only.

EXCERPT

There’s something hot and wet on my face.

The Redcoat looks down to his chest, the tip of a dirk emerging from it, and collapses forward.

I scream.

The body is lifted away and standing there is a giant of a man in a southern, belted plaid of green and blue.

His hair is dark, eyes of the same obsidian nature and features cut from stone. He is a fearsome creature.

“Who... are you?” I query, my voice shaky.

He smiles. Instantly, I am disarmed. He extends his hand to me. “William Darrow. I believe we are to be wed.”
