The Marriage Bed Is Pure, is written to inform and educate couples about the importance of sex and intimacy in marriage. It is a well-known fact proven by research that dissatisfaction in sex in marriage is one of the root causes of spouses entering into extramarital affairs. This book, with the sub-title Sex, Honour & Fulfilment In Christian Marriages talks about the truth of sex and provides the necessary tips to help couples enjoy sexual relationship and intimacy. The issues that some couples gloss over such as planning for sex, communication and cleanliness are well featured. We have also written much information about the issue of time and its relevance to the sex act, as well as one's attitude to sex with the spouse. Some Churches have been organising marriage enrichment seminars to help the married couples. For others issues about sex in marital relationship is a no go area. Having spoken at several seminars in the UK on marriage, and specifically on Christian sex issues, we are aware of the type of questions and ignorance shown by most couples on this issue. We are of the view that married couples would benefit tremendously from some of the information we share in this book. The book also equips you with valuable information, as well as supporting Biblical quotations and practical techniques, to help you enjoy and sustain your marriage. You must make every effort to sustain your marriage and enjoy it to its true potential in a fulfilled way. The Bible advises us to dwell with our spouses in knowledge. You will benefit from the knowledge provided in this book to help you in your marriage. Last but not the least, the book tackles the issue of the well-kept secret that has kept married couples together and sustained even difficult marriages from generations. This one big secret is what you may also need to sustain your marriage. This is more of a revelation.
