From an ordinary hood life to an extraordinary good life....

Featuring Black Expressions best-selling author Karen Williams, along with Brandi Johnson and Iniko, this book will have listeners consumed with emotion. But before it all even begins, national best-selling author, Kiki Swinson, holds no punches in her introduction to what is sure to be the journey of a lifetime.

Edited by award-winning author E. N. Joy, *Even Sinners Still Have Souls* hits listeners hard in the gut with its twisted, edge of the seat story lines and plots. The characters draw the listeners into their, often times, strange and distorted worlds. With conflict and tension so high, the listeners is almost forced to mentally endure the same daily struggles as some of the characters.

*Even Sinners Still Have Souls* goes beyond the typical love, power and respect. It branches off into a new dimension as characters try to go from just living the hood life, to living the good life. It's one of those few books sure to leave an imprint in the listener's mind, footsteps on their soul and a message in their heart.
