Lotus

Allan Baillie

Lotus Allan Baillie

In *Lotus*, Kaz Tanahashi and photographer Alan Baillie provide a super-close-up view of one of world culture's most famous flowers. Baillie's carefully assembled collection of photographs of the lotus capture the legendary flower throughout its "life," as it were: from seed to brilliant flower, and finally, into dust. Some of Baillie's photographs rival the best of the genre; these are truly "classical" in their approach. But he also provides a wholly fresh view, providing surprising images from each stage of the lotus's existence. Readers will alternate between swooning, and exclaiming, "I can't believe that's a flower!"

Editor Kaz Tanahashi, an expert of Asian cultures and storytelling, offers the perfect complement to the photography here. His introductory frontmatter tells of the lotus' prominence in various cultures, and the mystical and practical meanings that the flower continues to embody. Next to appear are his carefully selected poetry and prose-extractions, chosen to match Baillie's photographs, on facing pages. Each illuminates the other, making *Lotus* a gratifying way to relax, please the eyes, and feed the mind.

From reader reviews:

Gregg Spencer:

What do you think of book? It is just for students because they are still students or the item for all people in the world, exactly what the best subject for that? Simply you can be answered for that question above. Every person has several personality and hobby for every single other. Don't to be compelled someone or something that they don't desire do that. You must know how great and also important the book Lotus. All type of book would you see on many resources. You can look for the internet sources or other social media.

Nancy Jackson:

Do you certainly one of people who can't read pleasurable if the sentence chained in the straightway, hold on guys this aren't like that. This Lotus book is readable by means of you who hate those perfect word style. You will find the facts here are arrange for enjoyable studying experience without leaving even decrease the knowledge that want to deliver to you. The writer of Lotus content conveys prospect easily to understand by many individuals. The printed and e-book are not different in the articles but it just different available as it. So , do you continue to thinking Lotus is not loveable to be your top record reading book?

Nathaniel Thomas:

Playing with family in the park, coming to see the coastal world or hanging out with pals is thing that usually you will have done when you have spare time, then why you don't try matter that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Lotus, you could enjoy both. It is good combination right, you still would like to miss it? What kind of hang-out type is it? Oh occur its mind hangout fellas. What? Still don't buy it, oh come on its named reading friends.

Joseph Boyd:

Are you kind of stressful person, only have 10 as well as 15 minute in your day time to upgrading your mind proficiency or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book than can satisfy your small amount of time to read it because this time you only find e-book that need more time to be examine. Lotus can be your answer because it can be read by you actually who have those short time problems.
