## **QuickBooks Complete (Version 2006)** Doug Sleeter

QuickBooks Complete 2006 teaches you everything you need to effectively use QuickBooks 2006. Developed for College Instruction, this book also makes an excellent self study guide. The book provides step-by-step instructions with clearly illustrated screen captures that students can easily follow. Detailed "Accounting Behind the Scenes" sections are included that help students understand how QuickBooks translates user-entered data into entries in the General Ledger. Each chapter contains a chapter review that focuses on involving the student actively through Comprehensive Questions, Multiple Choice Exercises (with accompanying sample data files), Completion Statements, and Problems Sets that focus on how QuickBooks functions in the business environment. It shows students how to use each feature in QuickBooks as you complete real-word problems and simulations.
