by Jordan Gray

"This is the first dating/relationship book that I've come across that was written by an introvert for introverts. And I can't recommend it enough because of this." - B.D.

"As someone who definitely enjoys his alone time, this book resonated with me in a big way. I have always felt like being an introvert was a curse when it came to my dating life and this book has really helped me come to terms with the fact that my introversion is FAR from being something that holds me back." - Michael Matterson

"He writes in a very engaging style and offers realistic advice that is improving my social life in so many ways. Thanks to his book, I no longer see my introversion as a negative trait, but one that has many benefits in attracting and preserving relationships with friends and partners." - Chris M.
