Bad breath, also called halitosis, can be embarrassing and in some cases may even cause anxiety. It's no wonder that store shelves are overflowing with gum, mints, mouthwashes and other products designed to fight bad breath. But many of these products are only temporary measures because they don't address the cause of the problem.

Certain foods, health conditions and habits are among the causes of bad breath. In many cases, you can improve bad breath with consistent proper dental hygiene. If simple self-care techniques don't solve the problem, see your dentist or physician to be sure a more serious condition isn't causing your bad breath.

This book will provide you with a sound overview of the subject and will give you advice and tips to get rid of this problem or to help friends and family members suffering from halitosis.

After downloading this book, you will learn...

- Does your breath really stink? And how to tell if it stinks
- What really causes Bad Breath
- Bad habits that you should break
- Natural remedies that you can use
- get rid of Bad Breath for Good

- And Much, much more!
