Karma is a word often thought to mean a curse on people who do bad things, or a comfort to people who do good things and are yet to see any reward. Karma, however, is not a punishment and reward system. It is instead, based on understanding. Happiness in Your Life - Book One: Karma provides an introduction to what karma is and what it is not. The 12 Laws of Karma are shared, and then those Laws are revisited in the final three sections; Karma and Relationships, Karma and Judgement, and Karma and the World. Understanding karma helps to make sense of things that just don't seem right in the world. Everything has an order and process, and knowing this process will lead to more positive choices and outcomes.
