Storm (Ashes & Embers) (Volume 1) Carian Cole

The calm before the storm... I lived in the quiet stillness. I felt the wind rustle, warning me, telling me to get out of its path. But I didn't. I never stood a chance. A series of weather and road mishaps leaves me trapped in the middle of a blizzard with a complete stranger. In the back of a pickup truck. For forty-eight freakin' hours. A stranger with long hair, tattoos, and rippling with muscle. A stranger with an insanely sexy voice and a wicked smile that turned my insides to jelly. A stranger who held me in his arms, calmed me, and then set a fire in me that I couldn't put out. Storm lives up to his name. Beautiful. Dangerously inviting. Tumultuous. Dark. A clash of hot and cold. He's used to getting everything he wants. And now he wants me. Some people chase storms for the beautiful thrill. What happens when the storm chases you?
