This comprehensive resource provides an overview of 13 of the top training programs in professional coaching, taught within a distinctly Christian context. For those considering coach training for personal development, professional applications, or serving and ministry, essential information on training options is consolidated and streamlined. A primer on the field of Christian coaching and information on accreditation of schools and credentialing of coaches is included. Eleven decision-making factors are presented, guiding readers through the process of choosing coach training that is right for their unique purposes. Training accredited and approved by the International Coach Federation is featured, including courses applicable to ICF credentials at all levels. The 2016 edition is the seventh annual update.
