The Grammar Plan - Book 1: Parts of Speech is intended as an introductory book for younger, beginner-level English and ESL students. The worksheets in this book introduce the following parts of speech: Nouns, Count/Noncount Nouns, Verbs, Adjectives, Comparative/Superlative Adjectives, and Adverbs. This is a book of black-and-white worksheets. Each worksheet contains explanations and examples of the different grammar points written in clear, simple English, so that young learners should be able to understand the content and the instructions without relying on explanations from the teacher. The worksheets in The Grammar Plan progress slowly and steadily. When new or difficult information is presented, the worksheets are relatively simple, including identification and recognition exercises. Then, the worksheets become gradually more complex, requiring learners to understand and apply the grammar points being taught. An answer key is provided at the end of the book.
