Your Mind Matters: the Place of the Mind in the Christian Life John R. W. Stott

Our age, declares TIME Magazine, is the Age of Unreason. Logic is a dirty word and thinking a bad habit. In fact, the whole fabric of secular society is being rent with this "new cult of madness." And Christians? Is our way of life simply a religious extension of this bent toward mindlessness? Is our faith only a matter of the heart? Do we turn off our brains when we turn on to God? John R. W. Stott, Rector Emeritus of All Souls Church in London and author of the best seller Basic Christianity, examines this issue in the light of Scripture. His careful answer provides a much needed corrective to a society super-saturated with emotion.
