Updated to include new information about the band from the last 10 years, this candid biography tells the story of Kiss from its formation in New York City in the early 1970s to today. Examining the individual careers of each band member and telling the story of the band as a whole, the book chronicles the struggle to make it, their missteps along the route to stardom, their battle to stay on top, and the problems that led to changes in the lineup over the years. Finally, the circumstances leading to KISS' 1996 reunion—with makeup—are discussed, and the state of the band today is revealed.
