General Practice at a Glance

Paul Booton, Carol Cooper, Graham Easton, Margaret Harper

General Practice at a Glance Paul Booton, Carol Cooper, Graham Easton, Margaret Harper

Awarded First Prize, in the Primary health care category, at the 2013 BMA Medical Book Awards.

Following the familiar, easy-to-use *at a Glance* format, this brand new title provides a highly illustrated introduction to the full range of essential primary care presentations, grouped by system, so you'll know exactly where to find the information you need, and be perfectly equipped to make the most of your GP attachment.

General Practice at a Glance:

- Is comprehensively illustrated throughout with over 60 full-page colour illustrations
- Takes a symptoms-based approach which mirrors the general practice curriculum
- Offers 'one-stop' coverage of musculoskeletal, circulatory, respiratory, nervous, reproductive, urinary, endocrine and digestive presentations
- Highlights the interrelations between primary and secondary care
- Includes sample questions to ask during history taking and examination
- Features 'red flags' to highlight symptoms or signs which must not be missed

This accessible introduction and revision aid will help all medical students and junior doctors develop an understanding of the nature and structure of primary care, and hit the ground running on the general practice attachment.

Find this book as well as read it from today!

Stanley Rivas:

As a university student, I exactly feel bored to be able to read. If their teacher inquired them to go to the library in order to make a summary for some guide, they are complained. Just little students that have reading's soul or real their interest. They just do what the professor wants, like asked to the library. They go to there but nothing reading seriously. Any student feels that examining is not important, boring along with can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore, this General Practice at a Glance can make you sense more interested to read.

Sylvia Alexander:

Guide is one of source of knowledge. We can add our information from it. Not only for students but additionally native or citizen will need book to know the upgrade information of year to help year. As we know those textbooks have many advantages. Besides we add our knowledge, may also bring us to around the world. From the book General Practice at a Glance we can consider more advantage. Don't one to be creative people? Being creative person must choose to read a book. Only choose the best book that suitable with your aim. Don't possibly be doubt to change your life at this book General Practice at a Glance. You can more desirable than now.
