"In the year that king Uzziah died I saw also the Lord sitting upon a throne, high and lifted up, and his train filled the temple" (Isaiah 6:1) It is clear to many that we are in a time when greater challenges will confront us. The world's system has failed to solve life's challenges since ancient times. The Bible speaks about an end time world government that will promise to transition the world into peace and security. This new world government will be like all in the past, a walking corpse. At the same time it is quite possible that very difficult times will prevail during this coming transition. Most of us did not expect our past and present challenges, and most still do not want to believe that the future holds such challenging events. Perhaps we felt, and still feel, sufficient to avoid tragedies, or fortunate enough to never dream that they could occur in our lives. When events like this occur, they bring along with them the dying of one of our "kings." Our "kings" are the things we rely upon to keep us safe and happy. This book will reveal how you can begin to live your life in God's Kingdom now, and remain under His care as I have since 1979. Living your life as this book describes will convert your challenges into eternal blessings and will prepare you to live a overcoming life no matter what the future holds.
