MyNursingLab is a powerful on-line tool that combines assessment, reporting, and personalized study to help both students and instructors succeed. MyNursingLab gives students the opportunity to test themselves on key concepts and skills. By using MyNursingLab, students can track their own progress through the course and use the personalized study plan activities to help them achieve success in the classroom, in clinicals, and ultimately on the NCLEX-RN(R). This product comes packaged with the corresponding textbook.
