If only I could remain young while the picture grows old. For that I'd give anything....

When Dorian Gray, a handsome young man about town, makes this wish, he can hardly guess that it will mark the beginning of a life of hedonism and debauchery. Soon enough his webs of deception and deceit catch innocent victims, some of them his closest friends, and the only evidence of his misdeeds is a long-forgotten portrait in his attic....

Oscar Wilde's notorious novel is presented in this tense, full-cast audiobook adaptation, dramatised by David Llewellyn.

The release also includes the first episode of 'The Confessions of Dorian Gray: This World Our Hell' and a selection of James Dunlop's music from the series.
