Analogies for Beginners Lynne Chatham

An analogy is a comparison that points out the similarities between things that are different in all other respects. Teaching students how to solve analogies not only develops their logical thinking, but also builds visual awareness and verbal proficiency.

The seven different types of visual analogies and 14 different verbal analogies in *Analogies for Beginners* are perfect for beginning lessons in logical reasoning, flexible thinking, and vocabulary. Each page gives students an example of the type of analogy that is being introduced and then provides 7 (visual) or 10 (verbal) problems for them to solve. This combination of verbal and visual formats is an ideal way to introduce logical thinking in primary grades. Whether you have time for one analogy a day, or a worksheet a week, students will benefit in many ways when analogies are part of your curriculum. The use of visual analogies is beneficial for developing visual analysis even for older students, but especially useful for nonreaders and students with developing English skills. The verbal analogies provide students with exercises that require them to use word comprehension and also to examine various characteristics, uses, and relationships.

From reader reviews:

Dennis Ross:

Hey guys, do you wish to find a new book to read? Maybe the book with the name Analogies for Beginners suitable to you? The actual book was written by well-known writer in this era. The actual book titled Analogies for Beginners is one of several books that everyone reads now. This book was inspired a lot of people in the world. When you read this guide you will enter the new age that you've never known before. The author explained their idea in a simple way, therefore all of us can easily understand the core of this book. This book will give you a wide range of information about this world now. In order to see the representation of the world with this book.

Hye Elliott:

Your reading sixth sense will not betray anyone, why because this Analogies for Beginners book written by well-known writer who knows well how to make a book that could be understood by anyone who reads the book. Written with good manner for you, dripping every idea and writing skill only to eliminate your hunger then you still have skepticism Analogies for Beginners as a good book not just by the cover but also from the content. This is one reserve that can break don't assess a book by its deal with, so do you still need one more sixth sense to pick this kind of!? Oh come on your studying sixth sense already said so why you have to listen to a different sixth sense.

Samuel Puckett:

This Analogies for Beginners is a brand-new way for you who has curiosity to look for some information as it relieves your hunger for info. Getting deeper you into it getting knowledge more you know otherwise you still have a little digest in reading this Analogies for Beginners can be the light food in your case because the information inside that book is easy to get by simply anyone. These books produce themselves in the form which is reachable by anyone, yep I mean in the e-book contact form. People who think that in book form makes them feel drowsy even dizzy this reserve is the answer. So you cannot find any in reading an e-book especially this one. You can find what you are looking for. It should be here for you. So, don't miss the idea! Just read this e-book variety for your better life along with knowledge.

Joel Newsom:

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library or to make a summary for some reserve, they are complained. Just minor students that have reading's heart and soul or real their leisure activity. They just do what the professor wants, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Analogies for Beginners can make you really feel more interested to read.
