Fade To Black is the sequel and conclusion to Into The Darkness, winner of Goodread's Best EMP Novel Award. A catastrophic solar storm has knocked out power grids and sensitive electronic equipment across the planet, and thrust the civilized world into a new Dark Age. The story continues after Dylan Smith's arrival home with Kevin and Mary Brown. Their new way of life proves almost unbearable at times while Dylan struggles to reestablish himself into his neighborhood, with Kevin and Mary. Dylan and Kevin explore the surrounding area to find that, after the rule of law vanished, a militia has begun to form and expand. The militia's leader finds out about Dylan's community and attempts to annex it into his domain. All the while, a cult has sinister plans that threaten the safety of people nearby, including members of Dylan's family. Nevertheless, Dylan and Kevin find a friendly subdivision on a nearby lakeshore. After both neighborhoods realize the same religious cult has visited each of them and that they share the same abhorrence for the encroaching militia, they promise cooperation between their communities. Fade To Black chronicles their struggles as Dylan tries to unite his subdivision and reunite his family, while fighting against contentious forces both inside and outside of his community. Can Dylan overcome all that has ripped his family apart and threatened his neighborhood? The answer awaits in the conclusion to the story.
