Profile of the International Pump Industry - Market Prospects to 2007, Fifth Edition

This fifth edition of *Profile of the International Pump Industry - Market Prospects to 2007* reviews the markets, technological trends, and major manufacturers of industrial pumps. *Profile of the International Pump Industry* covers both the international pump industry and its associated market, illustrating the structure of the industry, highlighting developments, identifying future trends, and looking at recent mergers and acquisitions. Market estimates and forecasts to 2007, by region and pump type, are presented along with an analysis of the main end-user markets for industrial pumps, and a technology overview. Forty leading international pump manufacturers are profiled and a Top 20 league table of pump manufacturers, ranked by sales of pumps, is given. A directory of pump manufacturing companies and an index of companies by product type are also included.
