**Roll Deep: Poems** Major Jackson

**This breakthrough volume appropriates the vernacular notion of “rolling deep” to explore human intimacy and war.**

In his fourth collection, a breakthrough volume, Major Jackson appropriates the vernacular notion of “rolling deep” to capture the spirit of aesthetic travel that defines these forceful new poems and brazenly announces his steady accretion of literary and artistic influences, both formal and experimental?his “crew.” The confident and radiant poems in *Roll Deep* address a range of topics, most prominently human intimacy and war. And like his best work to date, these poems create new experiences with language owed to Jackson’s willingness to once again seek a rhythmic sound that expresses the unique realities of the twenty-first century with humor and understanding. Whether set in Nairobi, Madrid, or Greece, the poems are sensuously evocative and unapologetically with-it, in their effort to build community across borders of language and style.

From Urban Renewal, “The Dadaab Suite”:

I have come to Dadaab like an actor  
on a press release, unprepared for the drained faces  
of famine-fleeing refugees, my craft’s glamour  
dimmed by hundreds of infant graves, children  
whose lolling heads’ final drop landed on their mothers’  
backs like soft stones. What beauty can I spell in  
this swelter of dust?
