Change For A Dollar: cfad Aaron Bebo

Change for a Dollar is a reality based tale, written through the eyes of the author in graphic detail to give the reader a vivid feel for each character, scene, and situation. It is written in a manner in which it is competitive with the top urban "street lit" in the market today without the over the top exaggerated style that is often used to bring glamour and glorification to titles in the "street lit" genre. It is also politically correct in the tones of the lifestyles it describes.
