"Incredibly innovative, fun, and creative, *Crochet Stories: Grimms' Fairy Tales* is something you can share with your loved ones for many years and it will surely inspire you to go on to create even more fairy tale characters." —Erisea Mag

Practitioners of amigurumi, the Japanese art of crocheting stuffed dolls, will adore this collection of sixteen playful patterns for fairy tale figures. Projects include the witch and the gingerbread house as well as the hero and heroine of "Hansel and Gretel"; the giant and the golden goose's eggs of "Jack and the Beanstalk," in addition to the beanstalk and Jack himself; the long-haired captive of "Rapunzel," her lonely tower, and her rescuer, the prince; the animals of "The Hare and the Hedgehog" plus a juicy carrot; and the wee subject of "Tom Thumb" and his cow.

Clear instructions for creating the characters are accompanied by color photos of the finished products along with charming retellings of all five fairy tales. An introductory chapter offers general notes and tips, including pointers on working in the round, stuffing, measurements, and finishing.
