David Booker and Jo Cash are experiencing similar stuttering starts to their new lives on Romney Marsh when Rebecca Swaine turns up seeking help. Someone is demanding a lot of money from her husband. She wants to know who and why.

People come undone and reputations are ruined and made before the meaning of a man's dying words – he made me – can be guessed at.

Mrs Swaine might end up wishing she'd let sleeping lies lie.

The Booker & Cash stories now number two (nearly three). They don't have to be read in order; they do work as stand-alone novels. However, to get the most out of each it is recommended that they are read in the order in which they were written
