5 stars, Great Book !!

By Terence A Connor

You know this is a great book when I am not a religious person myself. But I can find so much meaning in a book. On how to be a better person, a more giving person and so much more. How to deal with stress , anger, and negativity. You don't have to be religious to enjoy this book and learn from it. And on that point this is a definite recommend.

5 stars Finally a book with useful principles

By Vinnie Snewing

I have been a reader of personal development material for a long time and to be honest alot of the books out there are very poor, however this book provides great principles on what it takes to be successful and have a life you are proud of, MUST READ
