The Apostles' Gospel

Paul Pavao

The Apostles' Gospel Paul Pavao

Could Paul's letters to Christians be the wrong way to preach the gospel to non-Christians? "Romans Road" may be an excellent way to teach the plan of salvation to Christians, but is it really the Gospel the apostles preached to non-Christians?

In *The Apostles' Gospel*, Paul Pavao takes you through the apostles' sermons in the book of Acts--the only sermons in the Bible delivered by the apostles to the lost--and reveals the most important message on the planet, the Gospel of Jesus Christ.

- **Learn the simple message endorsed by the apostles for those who had not yet heard the Gospel.**
- **Discover the heartbreaking statistics that result from preaching truths reserved for Christians as a Gospel for non-Christians.**
- **Experience the power yourself when you proclaim what the apostles proclaimed.**

The Apostles' Gospel is easy to follow and simple to understand. As one reviewer wrote, "One simply cannot argue with the theme." No tricks, no fancy interpretations, and no Greek exegesis needed. It really is as simple as letting the apostles say what the apostles said.
