The Apple Orchard (Bella Vista) Susan Wiggs

“Sometimes you stumble across a treasure when you’re looking for something else entirely.”

#1 *New York Times* bestselling author Susan Wiggs brings readers to the lush abundance of Sonoma County in a novel of sisters, friendship, and how memories are woven like a spell around us.

Tess Delaney makes a living restoring stolen treasures to their rightful owners. People like Annelise Winther, who refuses to sell her long-gone mother’s beloved necklace despite Tess’s advice. To Annelise, the jewel’s value is in its memories.

But Tess’s own history is filled with gaps: a father she never met, a mother who spent more time traveling than with her daughter. So Tess is shocked when she discovers the grandfather she never knew is in a coma. And that she has been named in his will to inherit half of Bella Vista, a hundred-acre apple orchard in the magical Sonoma town called Archangel.

The rest is willed to Isabel Johansen. A half sister she’s never heard of.

Against the rich landscape of Bella Vista, Tess begins to discover a world filled with the simple pleasures of food and family, of the warm earth beneath her bare feet. A world where family comes first and the roots of history run deep. A place where falling in love is not only possible, but inevitable.

And in a season filled with new experiences, Tess begins to see the truth in something Annelise once told her: if you don’t believe memories are worth more than money, then perhaps you’ve not made the right kind of memories.

From one of America’s most beloved writers, *The Apple Orchard* is a story of family ties both old and new and of the moments that connect our hearts.
