When this wolf comes knocking, there's no turning him away

Salvation Pack, Book 1

When Gwendolyn Jones inherits a Tennessee cabin from a great aunt she never knew, she quits her job and follows her dream to write full time. Meeting a stranger in a local cemetery isn't a risk she normally takes, but she needs the information on his flash drive for an article she's writing on werewolves. Later that night, when two honest-to-God werewolves come knocking on her cabin door, they're definitely *not* Photoshopped.

Jacque LaForge is on a mission to retrieve a flash drive before it endangers his pack. He never thought he'd find a mate, but the chemistry between him and Gwen is unmistakably off the charts. Now to convince her he's only trying to protect her from his vengeful former pack—led by his own father.

Gwen's first instinct to flee only gets her a smashed car and a concussion. She wakes up in a dangerous new world she never thought existed—and in the arms of the one man who stands between her and certain death.

Warning: Contains a sexy werewolf and his small pack of friends, a paranormal writer who really didn't believe such things existed—until now—and a completely dysfunctional family who are out to kill them both.
