Gullybird, a love story (Part One & Part Two for ages 3 and up) Sharie Krughoff, David Krughoff

Description: Gullybird, a love story springs from Sharie and David's real life experiences with a family of California gulls. These remarkable birds offered them friendship, love and trust.

The relationships developed over 14 months. The gulls demonstrated a remarkable capacity for sharing and kindness. These qualities were also reflected in relationships the gulls developed with other wildlife that frequented Sharie and David's campsite. These enduring relationships suggest infinite possibilities for coexistence.

Part one and part two were originally planned as individual publications. Instead, the authors decided to combine them into one volume, resulting in a lower price.

There's a clear division between part one and part two. Parents reading to their children, will appreciate the ease of dividing the story over two evenings.

Young readers will be delighted by having access to the complete story in a single volume.
