More Mushrooms of Alaska (Volume 4) Judy Hall Jacobson

This, the fourth in the series "Mushrooms of Alaska" includes all the species I have documented not included in the first three titles: "Edible Mushrooms of Alaska", "Poisonous Mushrooms of Alaska" and "Common Mushrooms of Alaska". They are species that can easily be found in Alaska, just not as common. This book is written for the mushroom hunter that wants to graduate to the next level of learning the fantastic fungi we have in Alaska.
