The Other F-Word (In Other Words) (Volume 2) MK Schiller

Damien Wolfe is ferociously sexy. Emmie Mason is fastidiously stubborn. When fate brings them together, they are both challenged by the other F-word...forever. Fashionable forty-four-year-old, Emmie Mason is content with her fastidious life. She has everything she needs in her loving family and friends. Her eldest daughter, Marley, has married the man of her dreams, and she has a new grandchild. What more could a woman ask for? She isn't prepared for fate to slap her in the face in the form of a bridal bouquet. Or worse, to run into the fantasy-inducing, eye-catching, panty-dropping, swoon-worthy man she's been thinking about for over a year, even though they only danced together once. As it turns out, thirty-year-old real estate mogul Damien Wolfe has been thinking about her too. Damien's flirty, funny and forthright personality challenges Emmie and tilts her world. But it's his kind soul and compassionate demeanor that really frighten her. He's easy to fall for, but how could she ever recover if she risked her heart to him? Can they both overcome their fears and commit to that other F-word...Forever?
