Something strange is happening in the village of Hedgely. Children are walking into the woods in the middle of the night. Secrets are being kept closely guarded. Destruction of homes and threatening messages are becoming common. For Simon and his friends, being visited by strange creatures calling themselves the imaginary friends is not quite as childish as they thought it might be. The creatures like to keep their lives a mystery, but want to know an awful lot about the people of Hedgely. The Secret Circle of Imaginary Friends is an exciting journey into the unknown, where you never know just who may be watching you.
