A Watershed Year

Susan Schoenberger

A Watershed Year Susan Schoenberger

What it means to be a mother, what it takes to save a life.

Lucy never confessed her love to her best friend, Harlan, before he passed away. Two months after his funeral, she is haunted by the power of things left unsaid. But then she receives the first of his e-mails arranged to be sent after his death. So begins the year that everything changes—Lucy's watershed year.

In an e-mail, Harlan says something that consumes her: he's certain Lucy is destined for motherhood. In her grief, she suddenly rediscovers hope, journeying to Russia to adopt a four-year-old boy. When she meets her son, Mat, for the first time, she realizes he's also mending a wounded heart and is just as lost as she is. Together, they learn to trust, each helping the other to heal.

But just as they're welcoming their new normal, Mat's father comes to America to reclaim his son and reveals the truth about Mat's past that might shatter Lucy's fragile little family forever.

Susan Schoenberger's breathtaking and powerful story of love, loss, redemption, and what it means to be a mother will leave you in awe as Lucy, in the depths of her greatest despair, somehow finds her greatest joy and embraces the beauty of second chances.

From reader reviews:

Pamela Bradley:

This A Watershed Year is great book for you because the content which is full of information for you who else always deal with world and still have to make decision every minute. That book reveal it details accurately using great organize word or we can declare no rambling sentences in it. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but tough core information with attractive delivering sentences. Having A Watershed Year in your hand like getting the world in your arm, info in it is not ridiculous one. We can say that no book that offer you world throughout ten or fifteen small right but this e-book already do that. So , this is certainly good reading book. Heya Mr. and Mrs. hectic do you still doubt this?

Jorge Eaton:

This A Watershed Year is fresh way for you who has curiosity to look for some information as it relief your hunger associated with. Getting deeper you upon it getting knowledge more you know otherwise you who still having tiny amount of digest in reading this A Watershed Year can be the light food for you because the information inside this particular book is easy to get by simply anyone. These books create itself in the form that is reachable by anyone, yep I mean in the e-book type. People who think that in e-book form make them feel tired even dizzy this e-book is the answer. So you cannot find any in reading a guide especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss this! Just read this e-book type for your better life and knowledge.

Many Shirley:

Do you like reading a book? Confuse to looking for your favorite book? Or your book had been rare? Why so many problem for the book? But just about any people feel that they enjoy intended for reading. Some people likes examining, not only science book but in addition novel and A Watershed Year or even others sources were given understanding for you. After you know how the great a book, you feel want to read more and more. Science guide was created for teacher or perhaps students especially. Those ebooks are helping them to add their knowledge. In additional case, beside science e-book, any other book likes A Watershed Year to make your spare time a lot more colorful. Many types of book like here.

Hector Duggan:

A lot of guide has printed but it takes a different approach. You can get it by web on social media. You can choose the top book for you, science, comedian, novel, or whatever by simply searching from it. It is identified as of book A Watershed Year. Contain your knowledge by it. Without leaving the printed book, it could possibly add your knowledge and make an individual happier to read. It is most significant that, you must aware about e-book. It can bring you from one spot to other place.
