For courses in Social Problems

Researching, Analyzing, and Understanding U.S. Social Issues

Introduction to Social Problems explores the many social issues that continue to plague the United States. Discussing and analyzing the extent and nature of various problems and their potential solutions, the book stands as a guidepost for people with an interest in “helping” professions — sociologists, educators, social workers, etc.

Through a sociological lens, students are able to gauge recurrent social issues and examine the benefits and possibilities of solutions. The **Tenth Edition** teaches students to apply research and knowledge to solve some of our nation’s most crippling problems.

Also available with MySocLab

MySocLab for Social Problems courses extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they’ve learned. And the Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MySocLab does not include an eText.

Introduction to Social Problems, Tenth Edition is also available via **REVEL™**, an immersive learning experience designed for the way today's students read, think, and learn.

From reader reviews:

Joseph Woodruff:

Why don't make it to be your habit? Right now, try to prepare your time to do the important take action, like looking for your favorite publication and reading a reserve. Beside you can solve your long lasting problem; you can add your knowledge by the publication entitled Introduction to Social Problems (10th Edition). Try to make the book Introduction to Social Problems (10th Edition) as your buddy. It means that it can to get your friend when you truly feel alone and beside that course make you smarter than before. Yeah, it is very fortunated to suit your needs. The book makes you more confidence because you can know every little thing by the book. So , let me make new experience and knowledge with this book.

Dennis Johnson:

A lot of people always spent their own free time to vacation or perhaps go to the outside with them family or their friend. Did you know? Many a lot of people spent they free time just watching TV, as well as playing video games all day long. If you need to try to find a new activity that's look different you can read a new book. It is really fun in your case. If you enjoy the book that you just read you can spent 24 hours a day to reading a book. The book Introduction to Social Problems (10th Edition) it is extremely good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. When you did not have enough space to create this book you can buy typically the e-book. You can m0ore effortlessly to read this book from your smart phone. The price is not too costly but this book offers high quality.

Luis Ray:

Many people spending their period by playing outside together with friends, fun activity having family or just watching TV the whole day. You can have new activity to pay your whole day by studying a book. Ugh, you think reading a book can really hard because you have to take the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Smartphone. Like Introduction to Social Problems (10th Edition) which is getting the e-book version. So , why not try out this book? Let's notice.

Phyllis Sharrow:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading is not important, boring in addition to can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Introduction to Social Problems (10th Edition) can make you really feel more interested to read.
