## Tax facts and strategies every self-employed person needs to know

If you're thinking about starting a business, or have already begun one, you are not alone. There are more than 23 million workers who are already self-employed and file Schedule C to report their income and expenses.

As a self-employed person you have to handle many, if not all, of the aspects of running your business. *J.K. Lasser's Guide to Self-Employment* is intended to help you with some business aspects with which you may not be familiar—but which have a great impact on your bottom line. It skillfully focuses on taxes as well as many legal and financial matters that may pertain to your business.

Informative and accessible, *J.K. Lasser's Guide to Self-Employment* is designed for you, the self-employed person working alone as a service provider, to help pin down all of the tax breaks to which you may be entitled. Divided into three comprehensive parts, this reliable resource will help you:

- Learn the basics of tax reporting: from what it means to be self-employed and an overview of what you have to report—as well as where and when—to becoming familiar with Schedule C
- Discover the various types of deductions and credits you can claim to reduce revenue that's taxed
- Become familiar with an array of planning strategies that you can use to make better business decisions throughout the year as well as other strategies you can employ as your business grows
- And much more

Don't be intimidated by taxes and other responsibilities of being self-employed. Instead, embrace the opportunities that a better understanding of tax, legal, and financial responsibilities can produce. Let *J.K. Lasser's Guide to Self-Employment* show you how.
