Simon de Montfort Broken Dreams (What Might Have Been) Howard Gittins

This is the story of Simon de Montfort's adventurous life. It spans the main points in his life including his claim for his inheritance from Henry III, his rise to influence through his marriage to Eleanor the King's sister, his fighting in France and on Crusade, his success in setting up the first democratic Parliament, and his final conflict with the forces loyal to the King. Simon's life ended in defeat against Prince Edward at the Battle of Evesham on 4th August 1265. Was Simon de Montfort just an adventurer and a social climber or was he a charismatic politician ahead of his time in his quest for democracy? Was his judgement at fault in fighting the army of Prince Edward head-on at Evesham or could he have adopted an alternative strategy? Was he seeking martyrdom? Read this account of his life and then assess more clearly his motives and contribution to the development of democratic government.
