## 40 Years of Queen Harry Doherty

The first authorized, comprehensive history of one of the biggest rock bands ever, with never-before-seen photos and memorabilia, on their 40th anniversary

Years after the death of their larger-than-life frontman Freddie Mercury, the music of mega-selling Queen endures. We've heard their songs in *Wayne's World* and *Glee*, and they helped give Lady Gaga her name. Their musical *We Will Rock You* has been seen by five million theatergoers in seven countries. Queen's had chart-topping success, and sold hundreds of millions of CDs, DVDs, and videos. They've broken records (biggest ever paying crowd, longest number of weeks on the charts) and received awards and accolades including induction to the Rock and Roll Hall of Fame in 2001 and a star on the Hollywood Walk of Fame in 2002.

*40 Years of Queen* is the first authorized band book, and includes an introduction by Brian May and Roger Taylor. It tells the unique story of a fantastically talented and popular group of musicians whose sound and performances changed rock music. Featuring 200 photographs--some rare and never-before-published--and removable memorabilia, *40 Years of Queen* is the book fans have been waiting decades for.
