Eight Dates: A Romance Lori L. Lake

Skylar Cassidy has been on her own for less than a year after a disastrous breakup. She's found that meeting women is difficult - kind of daunting, actually. She feels like she's been run through the mill and doesn't want to go through it again. But when her best pal and business partner Mitchell signs her up at the GirlsGaylore.com dating website and characterizes her as a happy-go-lucky, amorous, risk-taking single, strange women suddenly come out of the woodwork and Sky hardly knows what to make of it. EIGHT DATES is a comical story of a woman's search for Ms. Right-and how she finds quite a few Ms. Wrongs along the way.
