Humble Honest Men Bob Dye

Humble Honest Men is a comic novel from Hawaii author-historian Bob Dye. A dozen years in the writing, Dye's new book tells the story of Kapala Dolan, a Hawaii native who moves to Kinsale, Ireland, and soon becomes embroiled in the controversial history surrounding the sinking of the *Lusitania* and her mysterious cargo.

Dolan's fascination with the Irish half of his *hapa haole* ancestry—and the family lore that placed his maternal grandparents on the *Lusitania* as it sank off the coast of Kinsale—leads him to jump at the chance to consult for the town whose city fathers seek to make the *Lusitania* as successful a tourist attraction as Pearl Harbor's *Arizona* Memorial. The job proves to be more than a simple consultancy, as Dolan is drawn deeper into intrigue and cultural conflicts, while his sincere intentions rub some of the townspeople the wrong way.

Humble Honest Men is a tale of two cultures based on the fascinating similarities between Hawaii and Ireland. Dye's late wife, Tessa, suggested writing a novel to help pass the time in sleepy Kinsale, where the family has kept a home. Discerning Kinsale and Hawaii readers will recognize native turns of phrase, familiar quirky characters and beloved landmarks as Dye, a longtime aide to former Honolulu Mayor Frank F. Fasi, combines his ear for Irish argot with an eye for political intrigue and idiosyncratic characters.

"A mystery, a history lesson, a love story, a tale of two cultures and a wild, rollicking yarn—all at once."

—John Heckathorn, *HAWAII Magazine*

"The Hawaiian-Irish theme will intrigue Hawaii readers, as will the idea that Hawaii's people have more in common with the Irish than folks in other states."

—Bob Jones, *MidWeek*

"...a joy to read—a book you'll want to share. Dye's flair for Celtic storytelling delights, amuses, astonishes and informs."

—David Heenan, *Flight Capital, Double Lives*
