#### **Dolores Albert:**

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's heart or real their hobby. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know

that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Migration in the 21st Century: Political Economy and Ethnography can make you feel more interested to read.
