Kim had had a thoroughly shitty day. Nothing had gone right. She had broken up with her boyfriend, had months of hard work tossed by her boss and, to make matters worse, had a flat tire when she walked out to her car when she tried to go home. Totally disgusted, she stopped by a local pub on the way home, determined to find a way to forget the day. She found the way when she met Lauren.

Lauren introduced Kim to a new realm of love and pleasure that she only thought she knew something about. Curious, but not enough to act on it, Kim allowed Lauren to seduce her and make her every sense aware of the delights that only a woman could give her.
