One Year After William R. Forstchen

The thrilling follow-up to the *New York Times* best-selling novel *One Second After*.

Months before publication, *One Second After* was cited on the floor of Congress as a book all Americans should have, a book discussed in the corridors of the Pentagon as a truly realistic look at the dangers of EMPs. An EMP is a weapon with the power to destroy the entire United States in a single act of terrorism in a single second; Indeed, it is a weapon that the *Wall Street Journal* warns could shatter America. *One Second After* was a dire warning of what might be our future... and our end.

One Year After returns to the small town of Black Mountain and the man who struggled to rebuild it in the wake of devastation: John Matherson. It is a thrilling follow-up and should delight fans in every way.
