Bound by oath to serve Princess Edera as he once served her father, since the old king's passing it has been Lord Ranin's sacred duty to keep the naïve, headstrong eighteen-year-old safe and her realm free. But when Edera ignores his dire warnings and rides out to meet the tyrannical Emperor Comnar on her own, her foolishness has a terrible price. Seizing the opportunity to conquer her lands without a fight, Comnar takes Edera prisoner.

Ranin sets out to treat with Comnar and bring her home, but the emperor shows no interest in negotiations. Instead, he shows Ranin his stables, filled not with horses but with beautiful women from conquered nations, fillies to be trained and displayed for the emperor's pleasure. To Ranin's horror, Edera and her ladies-in-waiting are the newest additions to Comnar's stables, and like all the other fillies they have been stripped of their clothes and now wear nothing but bridles, harnesses, bits, and horsehair tails.

To complete the humiliation of his captured enemies, Comnar commands Ranin to personally train Edera for her new role as a filly, informing him that if he does not train the princess himself, a far harsher trainer will be found for her. With no other choice, Ranin sets out to master the princess, training her with a firm hand, as he would a young filly in the royal stables of his homeland where he was once the master of horse.

Despite her great shame at her treatment, Edera is secretly comforted by Ranin's control and attention. She soon finds herself longing for her new master to ride her long and hard, and though he struggles against himself, Ranin finds in time that he can no longer resist his little filly's charms. But when the occasion arrives to perform in front of the emperor and his people, will Edera's training have been sufficient? And can Ranin ever free Edera from Comnar's tyranny, or will his princess spend her life in the emperor's stables?
