*Peter Linebaugh*

**The Incomplete, True, Authentic, and Wonderful History of May Day (Spectre) Peter Linebaugh**  
**An essential compendium of reflections on the reviled, glorious, and voltaic occasion of May 1st, the international May Day holiday**

May 1st is a day that once made the rich and powerful cower in fear and caused Parliament to ban the Maypole—a magnificent and riotous day of rebirth, renewal, and refusal. This book's reflections on the Red and the Green—out of which arguably the only hope for the future lies—are populated by the likes of Native American anarchocommunist Lucy Parsons, the Dodge Revolutionary Union Movement, Karl Marx, José Martí, W. E. B. Du Bois, Rosa Luxemburg, SNCC, and countless others, both sentient and verdant. The book is a forceful reminder of the potentialities of the future, for the coming of a time when the powerful will fall, the commons restored, and a better world born anew.
