**Voices of the Country: Interviews with Classic Country Performers** Michael Streissguth

"Voices of the Country" presents interviews with innovative musicians, producers, and songwriters who shaped the last fifty years of country music. From Eddy Arnold's new, smoother approach to song delivery to Loretta Lynn's take-no-prisoners feminism, these people opened new vistas in country music - and American culture. Streissguth is a sensitive and knowledgeable interviewer: he gets beyond the standard publicity tales to the heart of the real voice - and real experiences - of these important figures.
