Happy in Our Skin Fran Manushkin

Is there anything more splendid than a baby's skin? For families of all stripes comes a sweet celebration of what makes us unique—and what holds us together.

Look at you!

You look so cute

in your brand-new birthday suit.

Just savor these bouquets of babies—cocoa-brown, cinnamon, peaches and cream. As they grow, their clever skin does too, enjoying hugs and tickles, protecting them inside and out, and making them one of a kind. Fran Manushkin's rollicking text and Lauren Tobia's delicious illustrations paint a breezy and irresistible picture of the human family—and how wonderful it is to be just who you are.
